Re: United States v. Michael Clayton, 21 Cr. 712 (PAC)

Dear Judge Crotty:

I write **with the Government's consent** to respectfully request that the Court extend Michael Clayton's voluntary surrender date (currently April 17, 2023) by 60 days. On February 14, 2023, this Court sentenced Mr. Clayton to 24 months' imprisonment following his guilty plea to a narcotics offense. He requests additional time to surrender so that he may attend to various family responsibilities—most significant among these is his desire to spend additional time bonding with his now-4-month-old daughter. This is my first request for an adjournment of the surrender date.

Thank you for your attention to this request.

Respectfully submitted,

/s/ Jonathan Marvinny
